thank you sam! :)

peter, i'm really looking forward to meeting you and discussing the future of AI x edge hardware and human interface.

there's A LOT of work to do to land this right for the world! :D

i'm arriving back in the US at SFO thurs at 3pm and can swing by to meet you anytime after that's convenient for you.

friday is best if you're available!

best,

thanks peter!

hi aman! :). please let me know when may be most convenient for peter.

i am available to travel from SFO at about 3pm on thursday (though will be just in from a long international flight).

i can also meet anytime on friday.

i am happy to come to openAI, and peter is welcome at iyO in redwood city.

we have a lot of hardware to touch and feel so in person is important.

best,

Hi Jason,

Would you have availability Friday afternoon between 2-4pm to come to our Mission Bay office?

Thanks,
Aman

hey peter! :)

thank you again for taking the time to sit down with neil and i on friday. it was such a pleasure to meet you!

neil and i have had time to process, and i'd love to have another discussion with you tomorrow or tuesday if you are available.

please let me know when might be a convenient time for you.

best,

hi aman! :)

just checking in if thursday or friday are good for meeting in SF?

we could do the same as last week again, friday at 2pm at openAI, if that works well for peter.
